Subject: Unauthorized Vessel on State-Owned Public Lands

Dear (b)(6)

First, I would like to thank you for contacting me regarding the Unauthorized Use and Occupancy Notice the Department of Natural Resources (DNR) sent to you on June 4, 2002 for the vessel "Fletcher-J." Per our phone conversation held today, you expressed that you have just had surgery and needed more time to remove the vessel from state-owned lands. I have agreed to give you until August 31, 2002 to remove the vessel from state lands.

If you have any questions regarding this issue, contact me at (360) 825-1631.

Sincerely,
